

# 12" LABEL TEMPLATE

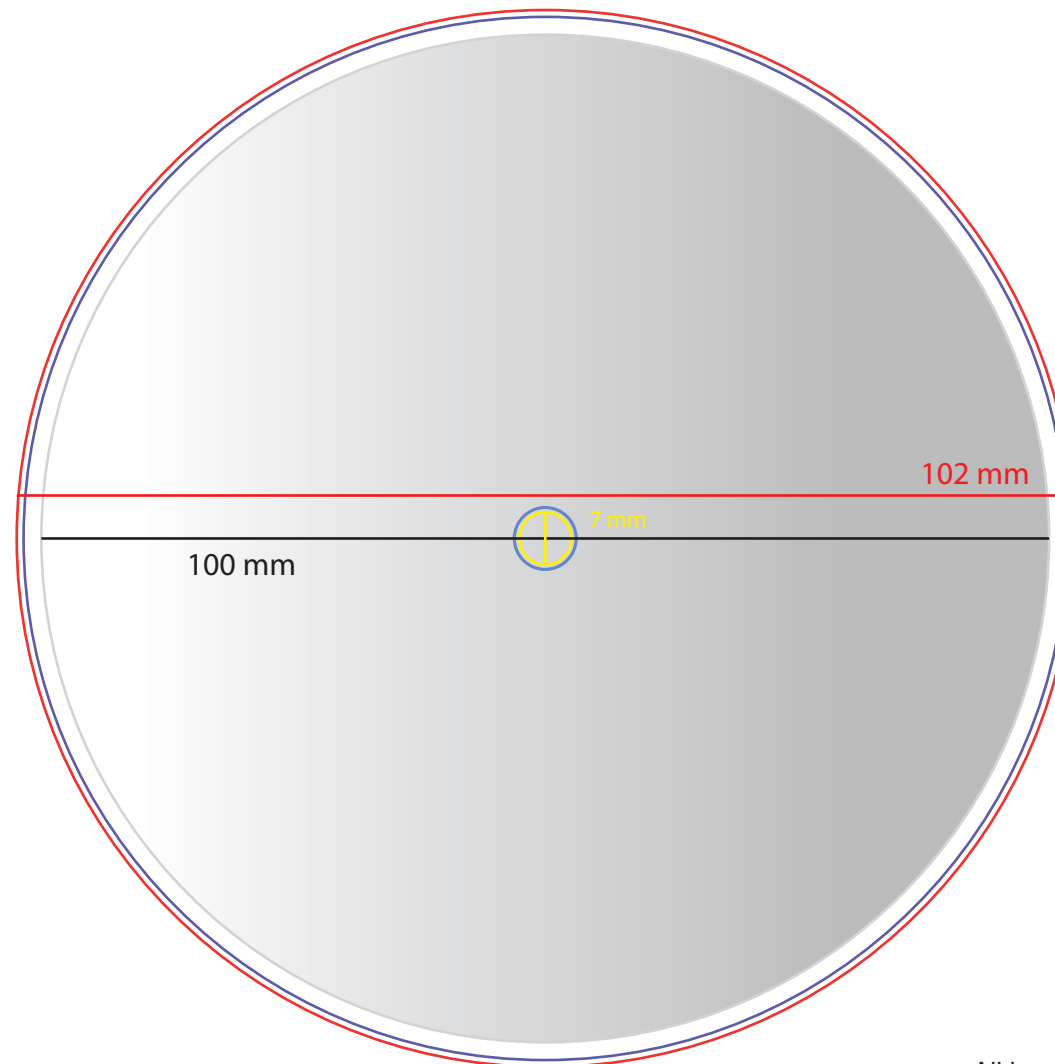

Please submit your design in one of the following formats:

PDF AI TIF PSD

Make sure your images are 300 dpi. Include any crop marks on a separate layer.

Labels are printed on white paper. Coated + Uncoated available - with or without matte lamination.

CENTER HOLE	
BLEED	
TRUE EDGE	
NO TEXT AREA	

The label edge is indicated by the grey circle.  
All text should remain in the grey area.  
No text should touch the two blue circles.

All images should print **through** the yellow center circle.  
Red line is the bleed (+2mm extra)
